

SCHOLARSHIP INFORMATION SHEET 2010-2011
Williams College

Please complete this form with the name and amount of **all** expected outside scholarships and grants. Your fall semester term bill (due on August 15, 2010) will include, as anticipated aid, one half of the amount of each of the scholarships you report below. Your spring semester term bill (due on January 15, 2011) will include, as anticipated aid, all scholarships that have yet to be received, including scholarships payable for spring semester only.

All outside scholarship and employer benefit checks should be mailed directly to Williams College, Office of Financial Aid, PO Box 37, Williamstown, MA 01267.

Please provide this address to all donors and organizations. If outside scholarship checks are made payable to the student, the checks should be endorsed to Williams College and sent directly to the above address. To ensure proper crediting, the student's name and Williams ID or social security number must be written on the check.

If Williams is required to bill the organization, please indicate on a separate sheet of paper, the name and address of the organization. No credit will be given for scholarships for which this information is missing. If the actual scholarship checks are not received within a reasonable period of time, anticipated aid credits will be removed from the student's account. The remaining balance due is then the responsibility of the student and parent.
